

Use a Limited FSA With Your HSA!

If you have a High Deductible Health Plan with a Health Savings Account you may pay your vision and dental expenses through a Limited Flexible Spending Account. This allows you to maximize your tax-free contributions between the two plans which will maximize your savings.

Eligible Dental and Orthodontia Expenses

Dental visits	Orthodontia deductibles
Orthodontia	Dental co-insurance and co-pays
Dental cleanings	Most non-cosmetic dental procedures
Dental treatment	
Dental surgeries	
Dental deductibles	

Eligible Optical Expenses

LASIK surgery	Optical co-insurance
Radial keratotomy	Eye exams
Contact lenses	Eyeglasses
Prescription sunglasses	Optical surgeries
Optical deductibles	Most non-cosmetic optical procedures
Optical co-pays	

Use our Mobile App to Stay
Up-to-Date Wherever You Are

Dental, orthodontia, and optical expenses are allowable under the Limited Flexible Spending Account.

All other expenses normally allowable through a FULL Flexible Spending Account are NOT allowable through a LIMITED FSA.

Cosmetic services are not eligible expenses under any FSA plan.
